

The most ancient spiritual recordings we can't connect to are through images, stories, and botanical formulas left behind by ancient cultures and people. If you're looking for a natural way to add wisdom and ceremony to your life, this set is a perfect collection to connect you to these ancient ways.

History records the use of Ochre to depict Dreamtime stories of the early cave dwellers through body and cave paintings. Ochre is rich in ceremony uses from around the world and has been used to usher many cultures' deceased loved ones in their transition.

Nowadays, Ochre is still used in ceremonies all over the world. If you're looking for a way to add a little something extra to your next ceremony, consider using Ochre. It's sure to add a touch of mystery and intrigue that anchors the purpose and meaning behind your ceremony.
